

If You Focus On Maximizers Before The Foundation, You'll Get Nowhere.!!

But...If You Do The Foundation & Stop, You'll Be Successful Short-Term Only.

Maximizers

The Foundation

THE FOUNDATION

#1: Goal Setting

- Write down your Top 5 Goals for the next 6 months
- Pick 2 skills you want to master
- Break your goals into action-steps
- Track your progress every 90 days

#2: Your Team

- We always learn better face-to-face
- "If you want to become a millionaire, talk to billionaires, you'll get there quicker."
- Over time, build your team: trader group, trading coach, coder, accountant, and role-model.

#3: Strong Trading Strategy

- S -> Specific
- T -> Tested
- R -> Replicable
- O -> Organized
- N -> Not Complicated
- G -> Grounded

"You can always make your strategy better so an average one will do at first!"

THE FOUNDATION

#4: Mindset

- If You Don't Have The Results You Want, You're Being Limited By Your Mindset.
- The People You Spend The Most Time With Dictate The Quality Of Your Thoughts....And Ultimately Your Trading Results!

MAXIMIZERS

#5: Strategy Optimization

- How To Make Your Strategy Better?
 - Days Of The Week / Hours Of The Day
 - Enter Above High / Below Low vs. At The Close
 - Ideal Take-Profits Level(s)
 - Different Stop Losses
 - Scaling In Your Trade
 - What Makes Most Of Your Trades Not Profitable

**Go through The Foundation
before trying to find the
perfect strategy!**

#6: Automation

- The Goal Of Automation
 - - How can I Be More Consistent In My Actions?
 - - How Can I Do More Of What I Love?
 - - What Things Are Not Needed For Me To Do?
